# CLOSING STATEMENT

## Bangsamoro Waters

➤ Polarized Gap is Mindanao – weakest link

➤ Turn Mindanao into Asset:

1. Tap the trillion dollar oil and gas lie in there – according to the leaked US documents;
2. Trillion dollar Halal industry;
3. the billion dollar Sulu-Sulawesi Sea mega biodiversity for pharmaceutical industry alone;
4. Billion dollar Islamic Finance industry;
5. Multiply Boracay and Palawan tourism; and
6. Realize Mindanao being the gateway of ASEAN

Help push for BBL

Talk, call and write to the offices of your representatives and senators

Inclusive in our pursuit of One Philippines towards highly skilled, well-educated and competitive developed country.

Better take off and smooth landing not just in Heathrow Airport, in ASEAN airports, but to any business arena we want to go.
