NO TRAINING FOR TEACHERS

WEAK INFRASTRUCTURE

NO PARTNERSHIP WITH PARENTS

Use the device all the time.

“Swim on your own.”

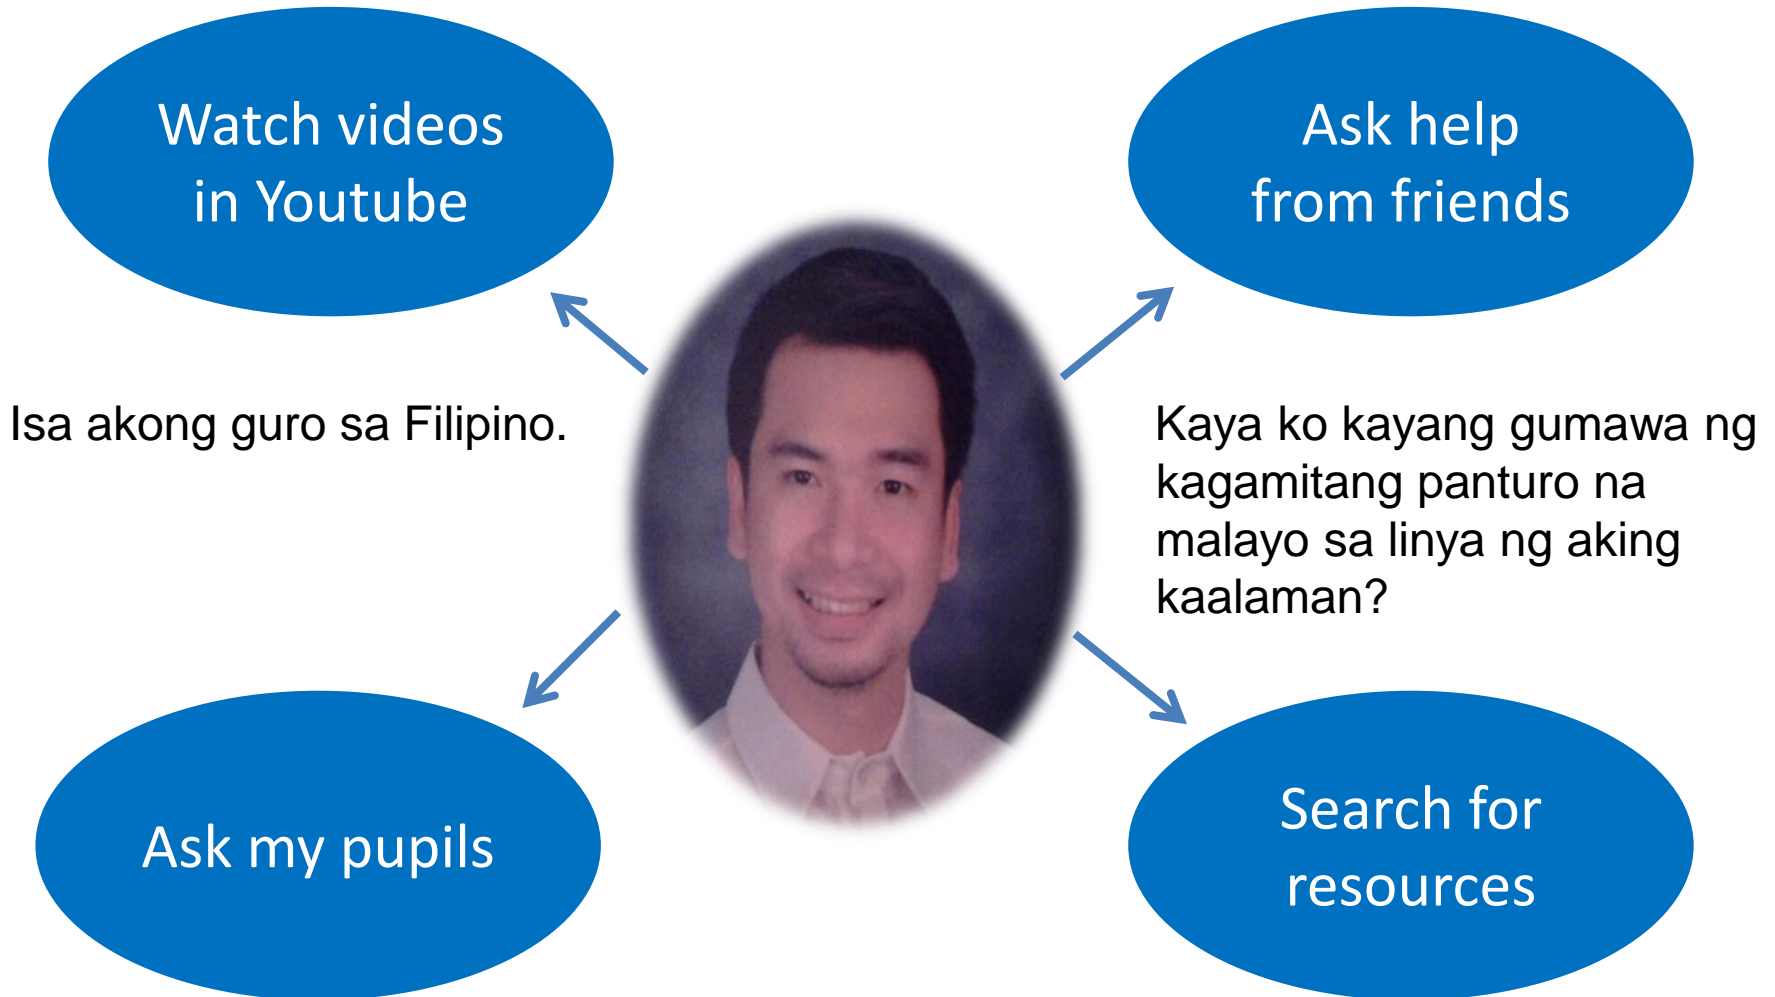

1. Paano ako magtuturo gamit ang tablet? Hindi ako gamay sa paggamit nito.
(How will I use the device? No training/ workshop is given to us.)
2. Kung maghahanap ako sa internet ng mga kagamitan sa pagtuturo, mabagal ang wifi connection.
(If I will search for activities in the web, the wifi connection is weak and slow.)
3. Ako ay guro sa Filipino. Ang mga kagamitan sa pagtuturo sa internet ay limitado.
(I am a Filipino teacher. It's hard for me to search for educational instructional material in my subject. It is limited.)

Life is an
experiment.

the more
experiments
you make
the better.

-Ralph Waldo Emerson

-I'm a Filipino teacher, Can I create things that is totally different from my field of expertise?

Kung walang gagawa, ako ang gagawa. *(If nobody wanted to do it, then I'll do it.)*

Gagawin ko ito para sa ikabubuti ng mga mag-aaral ko. *(I will do it not for myself but for my pupils.)*

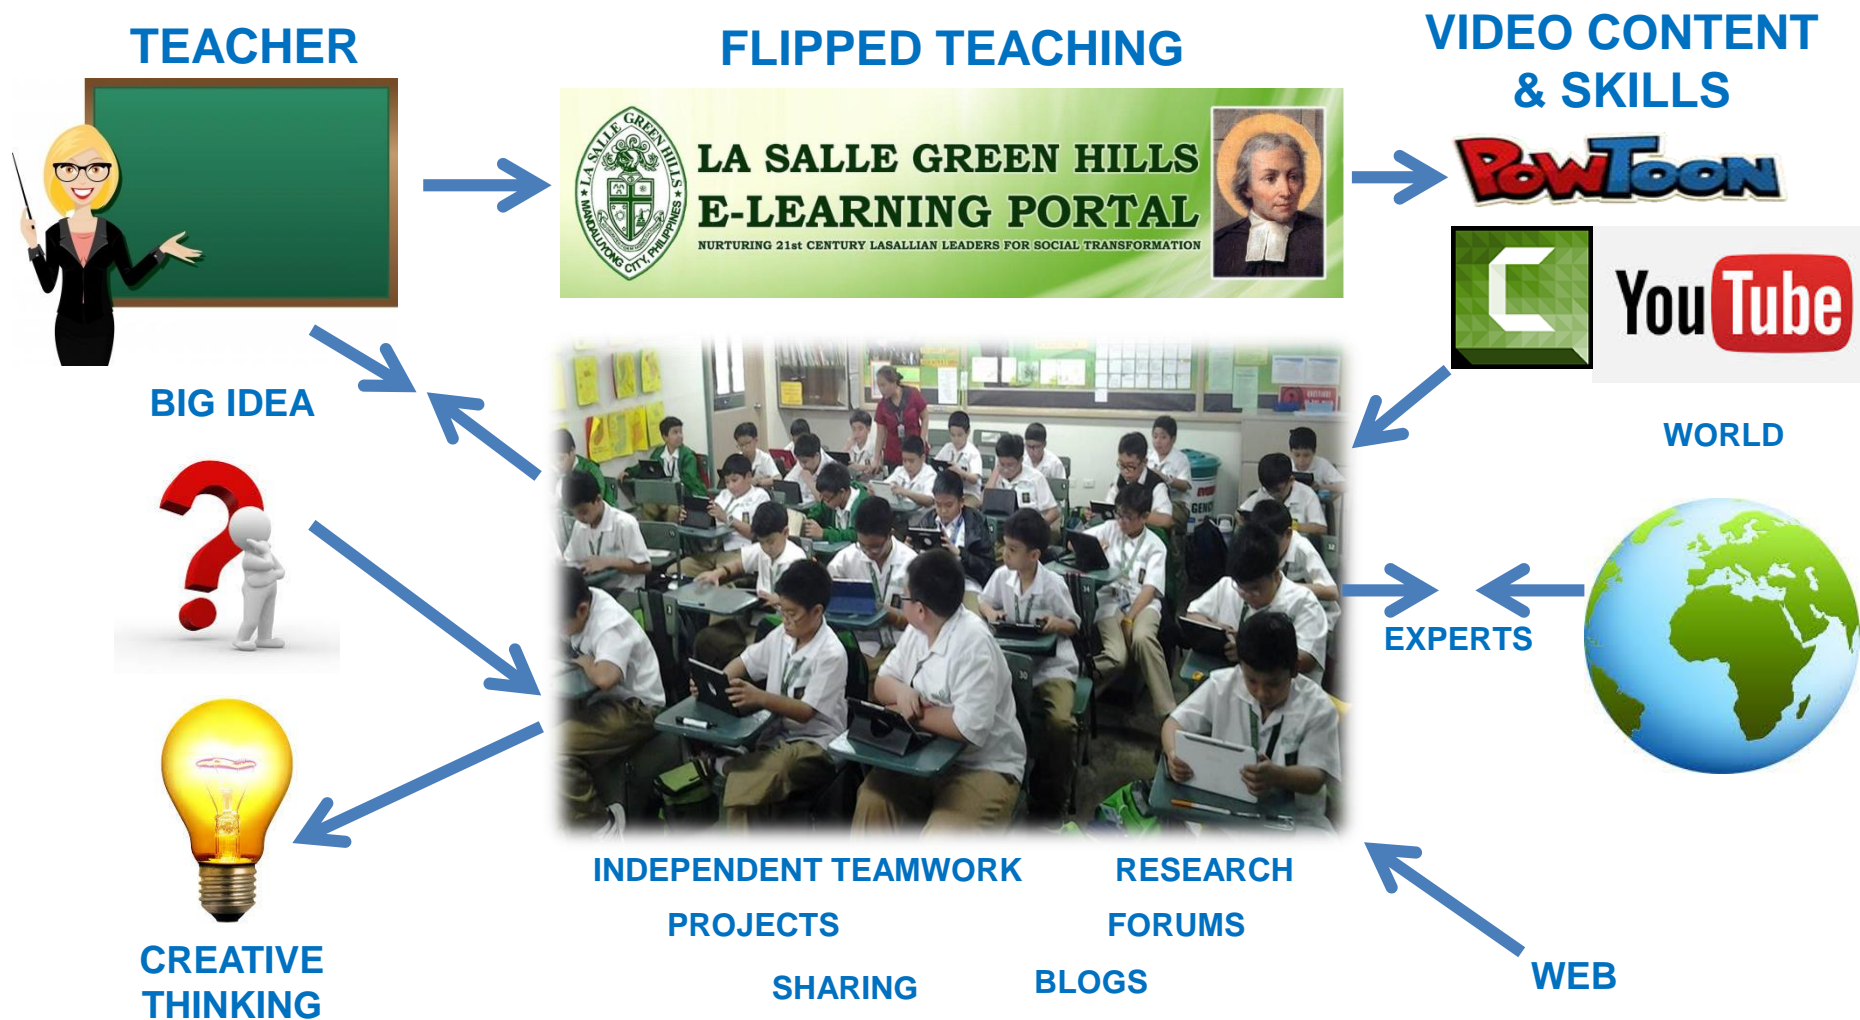

**TURN A SETBACK
INTO A COMEBACK**

Kaya ko ito. *(I can do it.)*

PARADIGM OF LSGH E-PORTAL

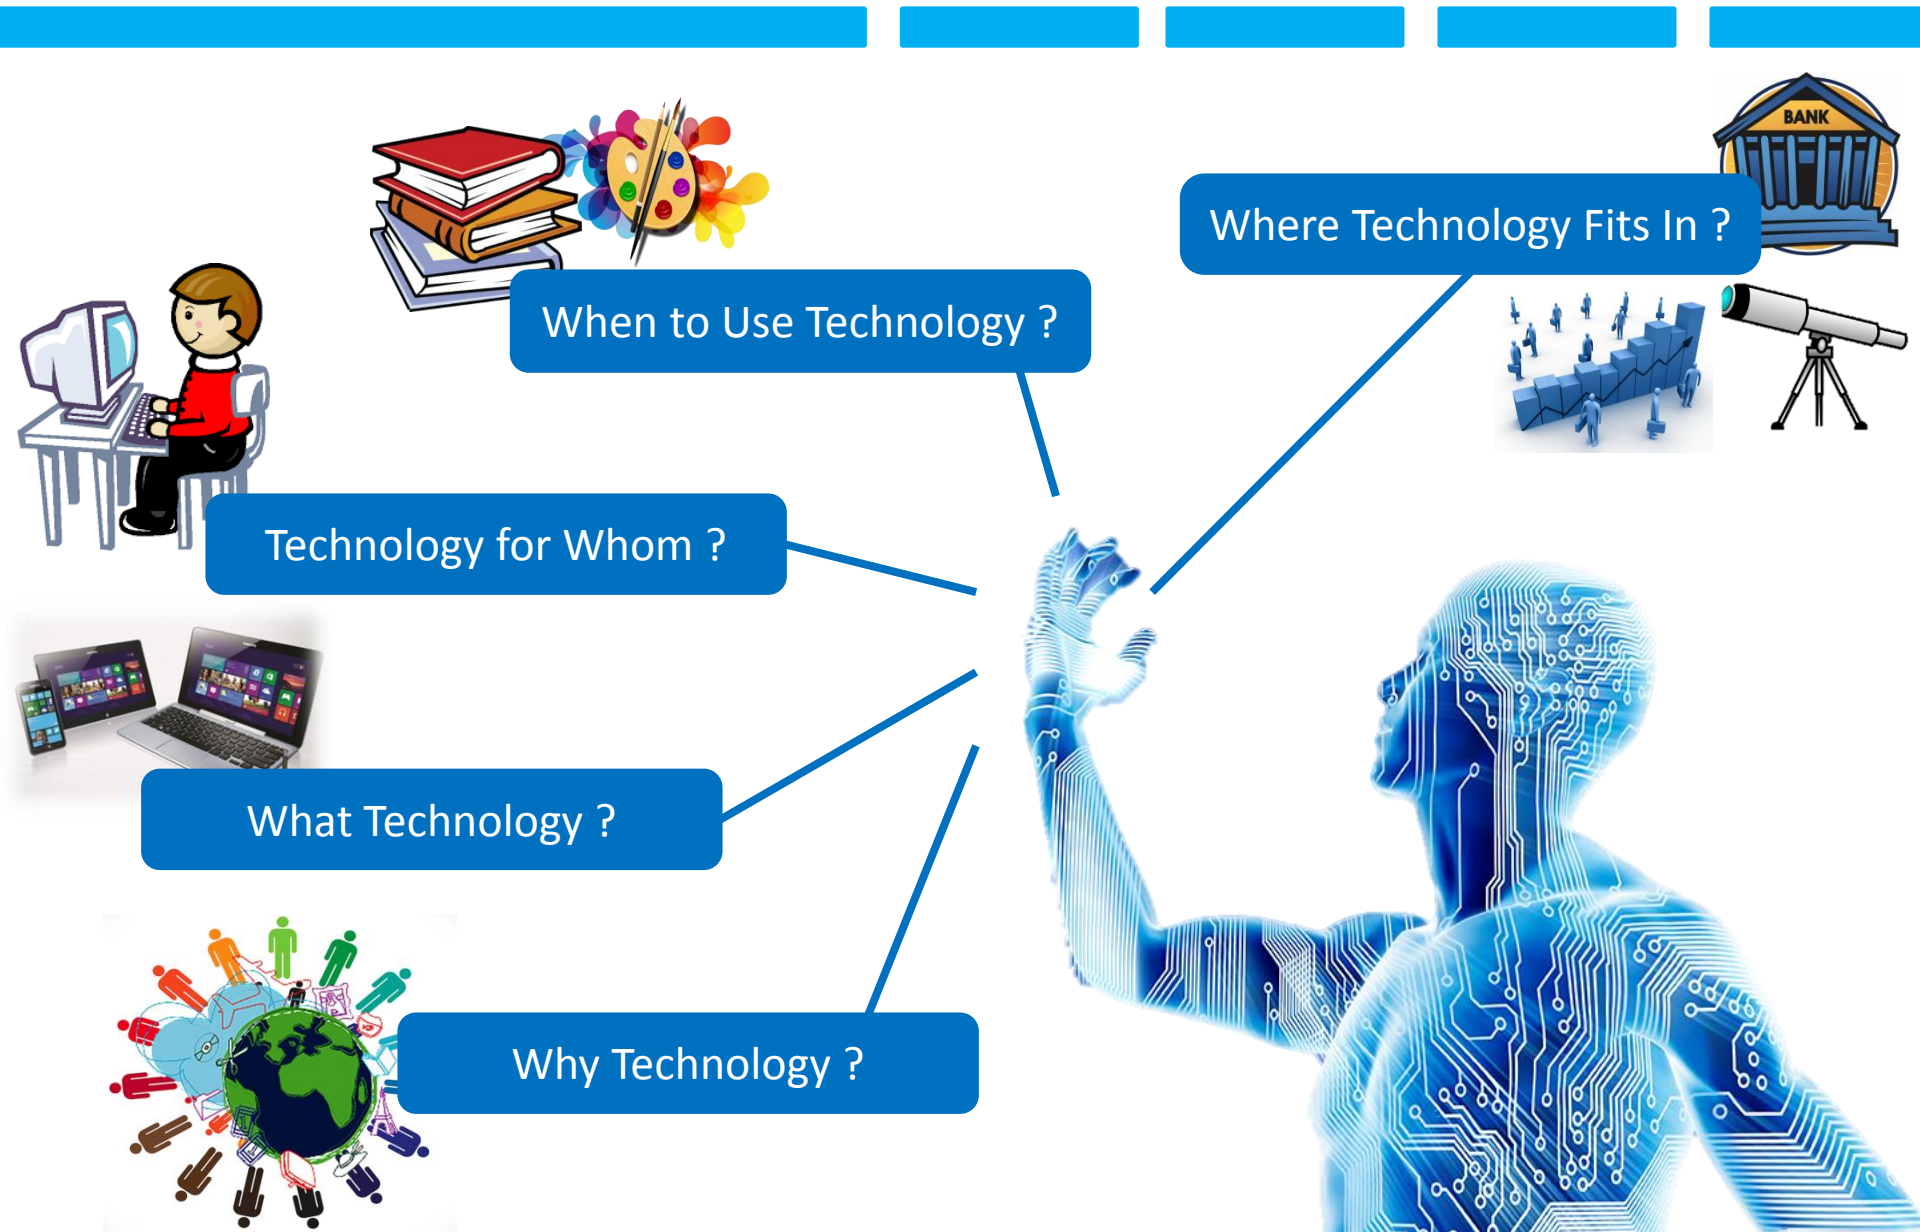

“The best way
to predict your
future
is to create it.”

-Abraham Lincoln

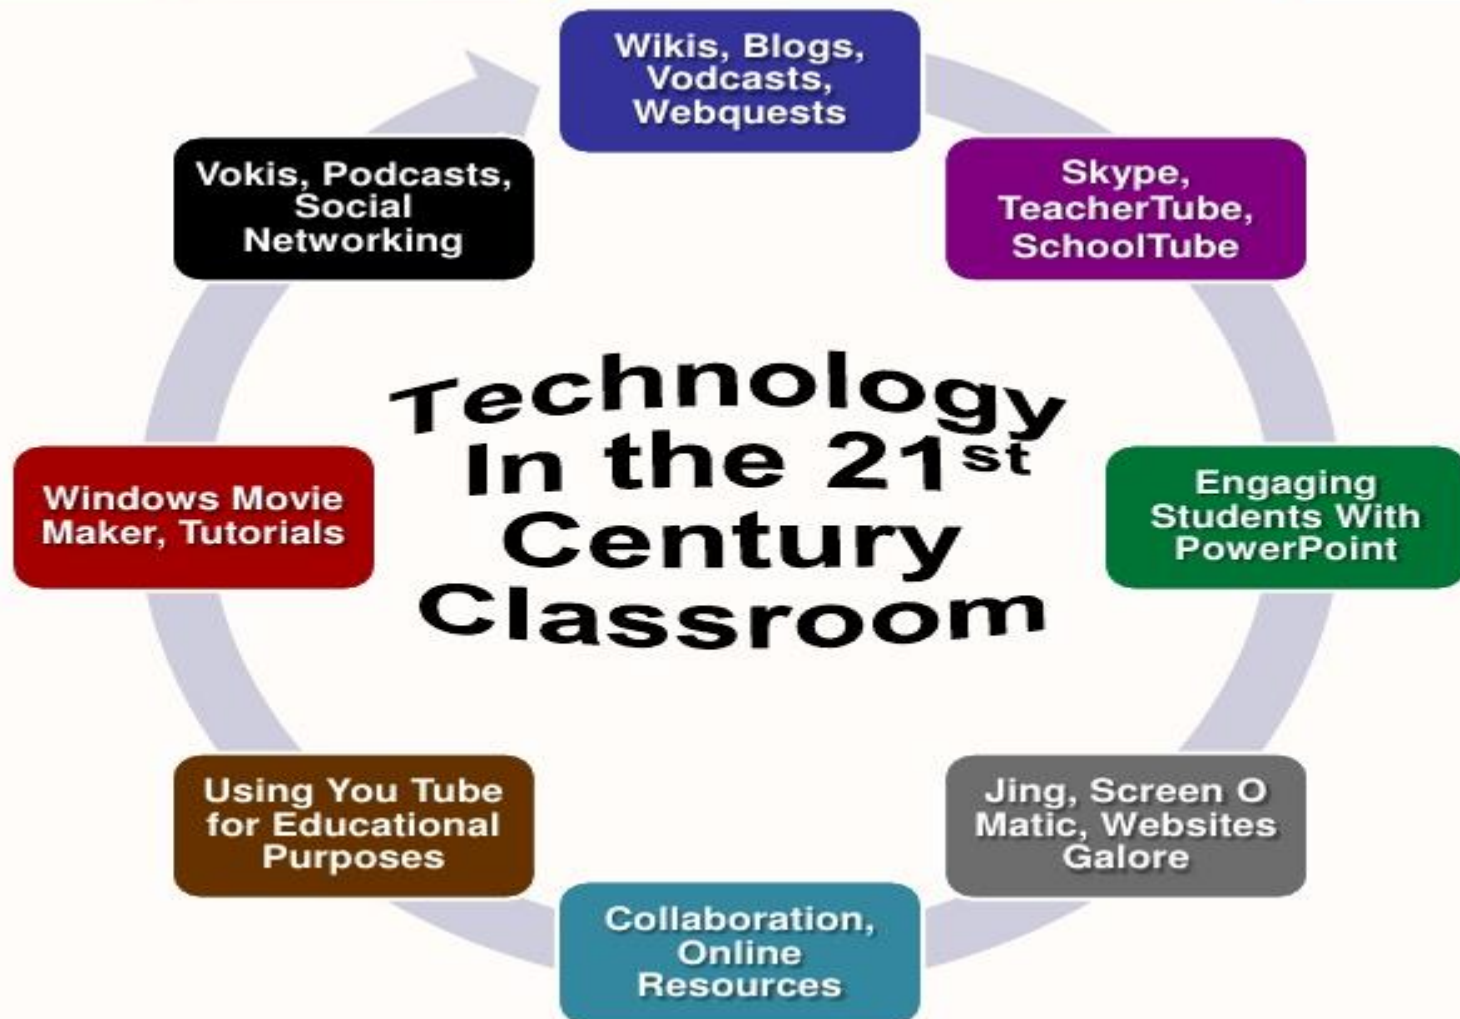

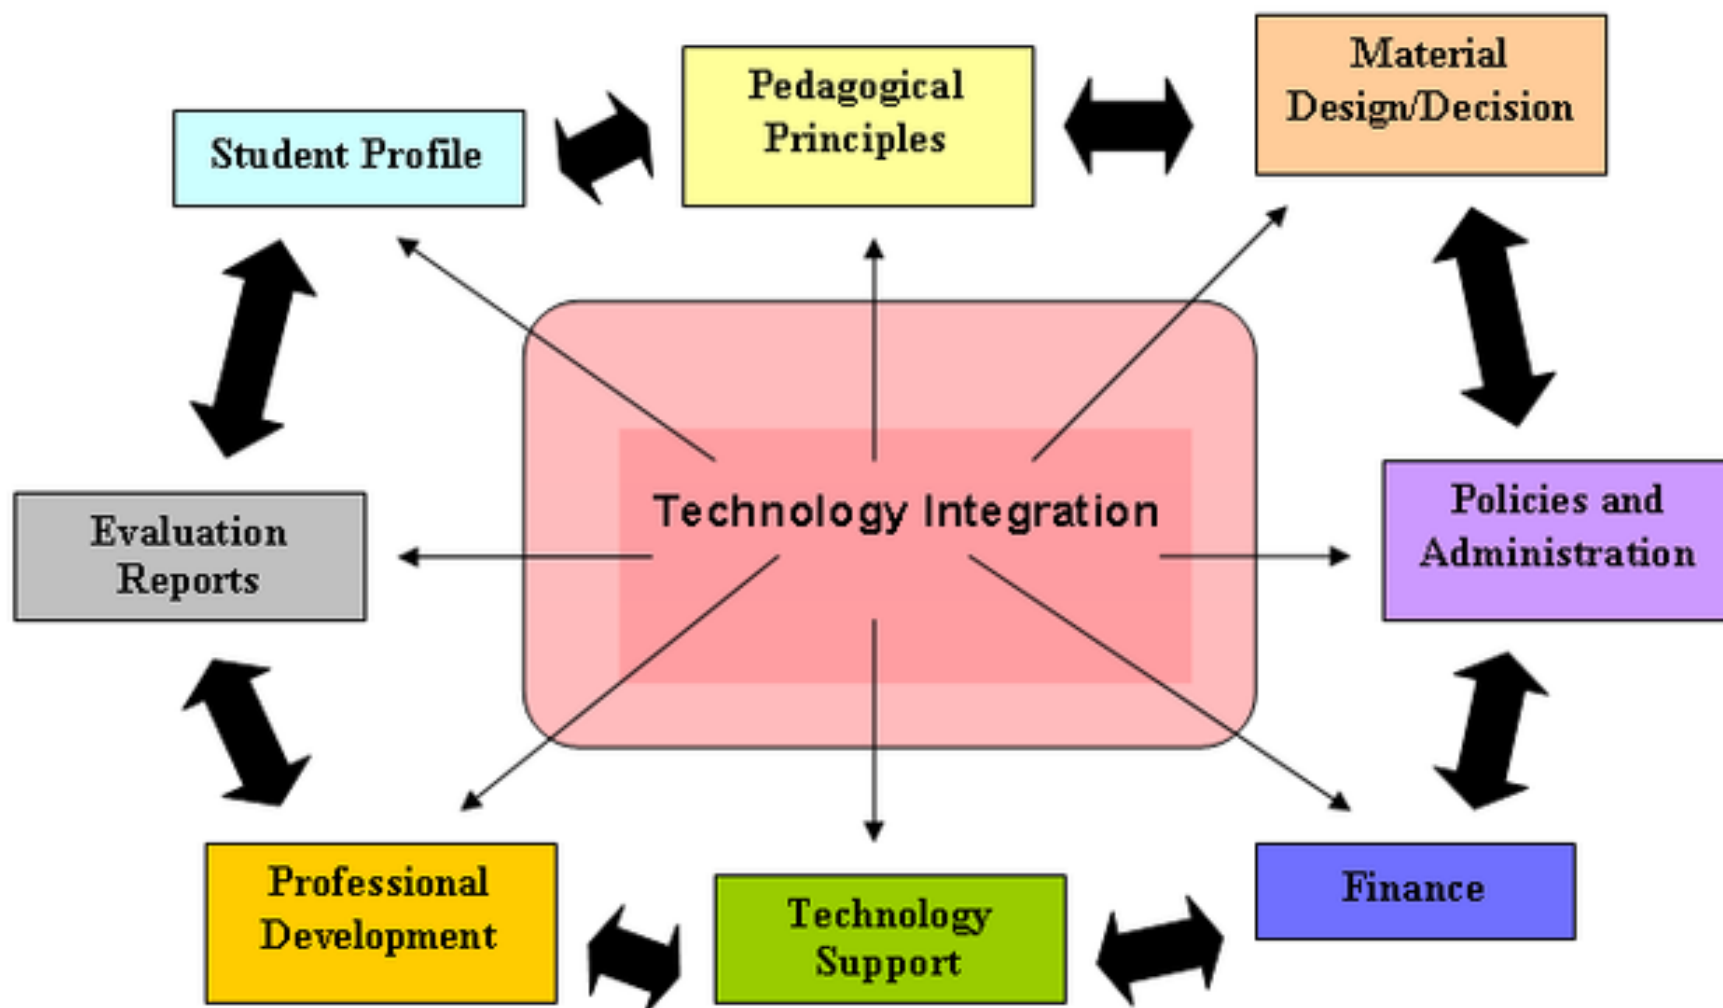

As educators, it is our responsibility to lead our learners and empower them to be equipped and be ready for global challenges and competition.

- Collaboration
- Character
- Communication
- Creativity and Imagination
- Real World Problem Solving
- Critical Thinking
- Use of ICT for learning

Technology won't replace teachers...

but *teachers who use technology* will probably replace teachers who do not.

Thank you for listening.
